

I'LL ALWAYS BE THERE – AUDITION CUT

Wherever you are
Whatever you do
No matter how far, as sure as a star,
I'll be there for you.

When life gets too tough
And things get you down
The going gets rough, and you've had enough
We're always around.

I guess a friend is something everyone can share
Yes, right to the end
Again and again,
I'll always be there!!!
